

**SUMMARY FOR OFFICIAL NOTICE**  
**DMS-2004-L-1, DMS-2004-KK-1, DMS-2004-R-1**

- a. The Arkansas Medicaid Program will no longer cover influenza virus vaccine, live, for intranasal use. The Division of Medical Services (DMS) proposes to terminate the coverage for dates of service on and after May 1, 2004.
- b. DMS has established procedures whereby providers may obtain prior approval to use new pharmacy and therapeutic agents that are FDA-approved. The proposed rule implements these procedures effective for dates of service on and after May 1, 2004.
